

~~SECRET~~

UNITED STATES GOVERNMENT

Memorandum

TO : Chief, Publications Staff, ORR

DATE: 28 July 1964

25X1A9a

FROM : FI/INT/RC [REDACTED]

SUBJECT: Release of Information to the Department of Commerce

25X1A8a Sorry, we are unable to approve your request to authorize Commerce to use information from [REDACTED] as a basis for discussions with Swiss government representatives or manufacturing companies the possible shipment of machine tools to Communist China.

25X1X7

However, [REDACTED] (which furnished the above information) states it is prepared to take what action is possible to prevent items subject to the COCOM embargo from reaching Communist China. To this end they ask again which items in these reports have been formally identified as subject to embargo.
